PART
SUNDAY**

FIRST PRES

Serve Teams Guidebook

2023

From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work.

Ephesians 4:16

Church works best when every part does its part.

The Bible says the Church is like a body, full of parts and organs and members. Every part has to do its part to keep the body healthy. Have you found your part?

We have a challenge: Every member has a ministry, but does every member know his or her ministry? Could we ask one another, “What’s your ministry?” and expect an answer?

“What’s *your* ministry?” “I’m in the Nursery at 9 a.m.”

“What’s your ministry?” “I run with middle schoolers at the Weber Student Center.”

“What’s your ministry?” “I’m on the Prayer Team.”

What is **YOUR** ministry?

Pentecost was the event in which the Holy Spirit was poured out on the early Church and every member knew their ministry. The

Church came alive. Every part learned to do its part.

This year, we’ll celebrate Pentecost on May 28, and we want to empower you to discover your part for the coming year. We call it “My Part Sunday,” and this guidebook will help you get started. Come to worship on May 28 with a heart ready to hear from God, and to begin answering the question, “What is *your* ministry?”

This is the time to rise. When every part plays its part, the Church rises in strength to the glory of the name of Jesus.

Yours in Christ,

Tim McConnell
LEAD PASTOR

These people assist with the “up front” program on Sundays and Wednesdays by joining in goofy skits, acting out Bible stories, leading in worship, or serving with tech.

CREATIVE TEAM

Our Creative team helps foster fun and engaging environments by decorating our various kids’ spaces monthly and for special events.

HIGH PRIORITY

SMALL GROUP LEADER

Small Group leaders offer a consistent and familiar face to children in our care on Sundays and/or Wednesdays. They serve as trustworthy influences for our kids as they support their lives and their faith journeys.

KIDS MIN. SUPPORT TEAM

Our Kids Min. Support team helps our staff with organizing and preparing for upcoming programs and events, and other administrative roles.

Students

Student Ministries has a vision for all students to grow in faith. Through our High School and Middle School ministries, we disciple students to learn that Jesus Christ is our Savior, Lord and friend. Student leaders are present to invest and lead our students to be the generation of the now. Student leaders get the opportunity to fellowship, encourage and facilitate meaningful conversations to equip our students.

HIGH PRIORITY

MIDDLE SCHOOL AND HIGH SCHOOL SMALL GROUPS

These leaders create space for students to ask big questions, form deep relationships, and develop their own faith. These primary, assistant and substitute leaders are active on Sunday mornings.

PRAYER TEAM

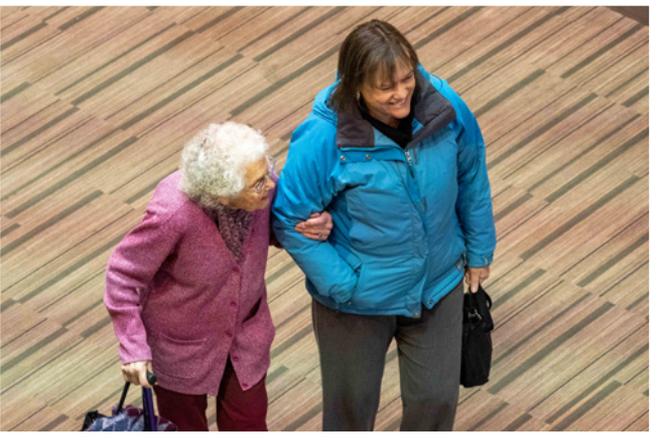

Prayer fuels our ministry together and this group is focused on praying before Sunday and Wednesday programming for students and leaders in the ministry.

HOSPITALITY TEAM

These leaders focus on welcoming students and parents as they enter the Weber Student Center (WSC) and help them plug into the community.

SPECIAL EVENTS

Student Ministries hosts events, camps and service projects throughout the year. This team helps in a variety of ways including event planning, driving vans, helping with meals, event logistics, etc.

CARING MINISTRIES

Our daily pursuit is to be a church where **no one hurts alone**. We strive to ensure that each person at First Pres can receive the care they need and that no one is forgotten at a time of crisis. This is achieved through various events, prayer and in support groups and other relationships.

Relational Outreach

In addition to support groups active on our campus, there are other spaces where we minister to those whom God has entrusted to our care. These represent some of the ways people can get involved in these efforts.

STEPHEN MINISTERS

Stephen Ministers are trained extensively to assist others through difficult seasons by providing one-on-one encouragement one hour a week.

MILITARY MINISTRY

This team serves Veterans and active-duty military at First Pres and in the community. We sponsor a monthly “Vets Talk” for this group and engage in local ministry efforts including Veterans Day.

WEEKLY PRAYER TEAM

As the congregation submits prayer requests, this team brings those needs to the Lord on a weekly basis.

CALL TEAMS

These teams especially focus on following up with congregation members after surgeries and checking in on those struggling with chronic medical issues.

KNIT AND CHAT, CROCHET AND PRAY

This group gathers to create prayer shawls that are given out to those who are struggling or in the hospital. The group prays over all the completed items before they are distributed to various individuals.

MISSION ENGAGEMENT

As God's people, we want to be engaged in God's mission. And all it takes to participate is responding to His invitation! It doesn't require specialized skills or a degree in missions to join. As all missions activity begins and ends with relationships, we all have a special role to play.

Consider where God might be leading you to join Him!

Local + Global Mission Engagement

We partner with 18 agencies in our city and nine global ministries in four countries—Cuba, Egypt, Guatemala and Mongolia—all doing incredible Kingdom work in Colorado Springs and beyond. And they have invited First Pres to be on mission together with them!

ENGAGE WITH LOCAL PARTNERS

Local areas of impact include pregnancy care and parent coaching, single motherhood support and housing, foster care support, refugee initiatives, homelessness (including youth and families), food insecurity, economic development and entrepreneurship, education and local school engagement, and more.

ENGAGE WITH GLOBAL PARTNERS

Observe what happens to a community in Guatemala when holistic ministry breaks the barriers for young adults in high-immigration communities. Learn about the unique circumstances of Christians witnessing to the gospel in Havana, Cuba, and participate in a week of their community ministry. Join a Zoom call with our partners from Cairo, Egypt, to hear all the Holy Spirit is doing through their church-planting and revitalization initiatives along the Nile River! Or, explore the various ministries at Mongolia Campus Crusade for Christ and consider how you may be of encouragement to this burgeoning Christian movement.

Consider providing administrative support for the Mission Engagement Ministry, or volunteering as a host for Missions events.

This is a team of vocalists and instrumentalists that lead in our modern worship expression. An evaluation and onboarding process by our staff is the start to serving through your musical gifts.

KIDS AND YOUTH MUSIC TEACHERS, COACHES AND DIRECTORS

There are children's ensembles that meet throughout the school year. During the summer, we run a variety of camps around music, drama, strings, fine arts, jazz, handbells, etc. which require a support team and ensemble directors.

Today's worship experiences integrate technology in ways that edify the congregation and glorify the Lord. This team uses production technology in a variety of ways to support the worship experience. While some of these roles can be complex, they all can be quickly mastered after some training and practice!

HIGH PRIORITY

VIDEO TEAM

The video team consists of camera operators, video directors and content creators who have the primary goal of producing our livestream videos and in-service video content that tells the story of what God is doing. This team helps connect those who are not able to be in our physical environments and still engage them in a meaningful worship experience.

This team offers young mothers an opportunity to drink their coffee while it's hot, eat a warm meal, and have space to grow together with other women by caring for their little ones in the Nursery.

Alpha gives people the opportunity to explore faith and Jesus Christ in a safe environment. It also offers our congregation a place to invite people in their life to consider Christianity for the first time. Each night consists of food, a video or talk, and small group conversations.

HOSPITALITY, FOOD & PRAYER TEAMS

These support teams help create a warm environment to welcome guests and make them feel comfortable, assist with food setup and cleanup, and pray both during Alpha and throughout the week
